The Lure of Coastlines

"On a bright day, your camera will almost die of exhaustion as you try to capture the beauty."

~Bob Neff Jr.

How many coastlines have you seen?

Bob Neff Jr.: Growing up, the only coastline I remember is the Jersey coast. We would go to Ocean City for a day or a weekend in the summer. In my high school years, my father was the director of Lancaster Youth for Christ and there was always a week every summer where many high schoolers from Lancaster County would do an Ocean City, New Jersey, getaway. I imagine some of our readers were on those excursions as well. There was something about the water, the tides, the sand, and the Coppertone sunburn that was attractive to us. Now, we try and protect ourselves from the sun with sunblock, hats, and umbrellas, but back then, we were more concerned with being "cool." When I got married and had a family, we continued the tradition of going to the shore at least once a summer.

When did your horizons—or coastlines—expand?

Bob Neff Jr.: It wasn't until I got into the travel business that I started traveling to more than the Jersey coast: the coastlines of Hawaii with the black lava shores and the white foam surf make for beautiful pictures; Alaska and the Inside Passage have wonderful glacier lined coastlines; but, New England has always been a highlight for Cindy and me. Traveling along the New England coast is one of the most photographed lighthouses, Portland Headlight. On a bright day, your camera will almost die of exhaustion as you try to capture the beauty.

BNT plans tours all over the world, and yet, returns regularly to some of the same places like Nova Scotia. What keeps you going back?

Bob Neff Jr.: One of my favorite coastlines is in Peggy's Cove, Nova Scotia. The lighthouse and the maritime town offer a photographer's paradise. As you try to capture the village in pictures, you realize that your

Here is the sea, great and wide, which teems with creatures innumerable, living things both small and great.

Psalms 104:25

Nova Scotia and PEI August 11 - 22, 2017

It's no wonder that Nova Scotia is one of BNT's most popular "bucket list tours," with its rugged coastline notched by hundreds of bays, coves, and tiny inlets. Canada's province offers wide sandy beaches, often fringed by salt water marshes—and you can even buy or rent your own private island! Located on the west central coastline, The Bay of Fundy is said to have the highest vertical tidal range in the world. Over 110 billion tons of water flow in and out of the bay in a twelve hour period.

(cont.) efforts just don't do it justice. I still remember the wonderful group of travelers we had the privilege of leading to Nova Scotia in August 2011. Some read the instructions, put on a bib, and tried to eat a whole lobster for the first time at the restaurant in Peggy's Cove. Others were charmed by the play, *Anne of Green Gables*, and her escapades on potato-laden Prince Edward Island. Of course, crossing The Bay of Fundy is a spectacular coastline. The tides are best seen at Hopewell Rocks, where some measure over 50 feet, the height of a five-story building. Twice a day, every day, they move, reminding us of the faithfulness of God.

I would love for everyone to see this natural wonder. It is amazing to think about—and even more amazing to see.

The coastlines have so much to offer. From The Bay of Fundy, with its dramatic tides, to the spectacular ice-calfing in Glacier Bay National Park, Alaska, the coastlines are always spectacular.

Hopefully, this will be the year when we witness another part of God's beautiful creation. We have tours from coast to coast that we believe will give our travelers the vacation of a lifetime.

We would count it a privilege to take you there!

Our Coastlines Constantly Change

With nonstop waves crashing and lapping the coastlines, our coastlines cannot remain the same. "Breakers gnaw away at cliffs, shift sand to and fro, breach barriers, build walls, and sculpt bays. Even the gentlest of ripples constantly reshape coastlines in teeny, tiny ways—a few grains of sand at a time."¹

Coastline: the land along the edge of a coast²

Shoreline: the land along the edge of an area of water (such as an ocean, lake, etc.)³

Swash: the upward rush of water delivers sand and gravel to the beach.

Best of Wyoming

"The jeep ride to Custer State Park was the best! So many buffalo to see and Custer State Park was beautiful! Loved seeing the deer, antelope, prairie dogs, etc. The Badlands were beautiful and different."

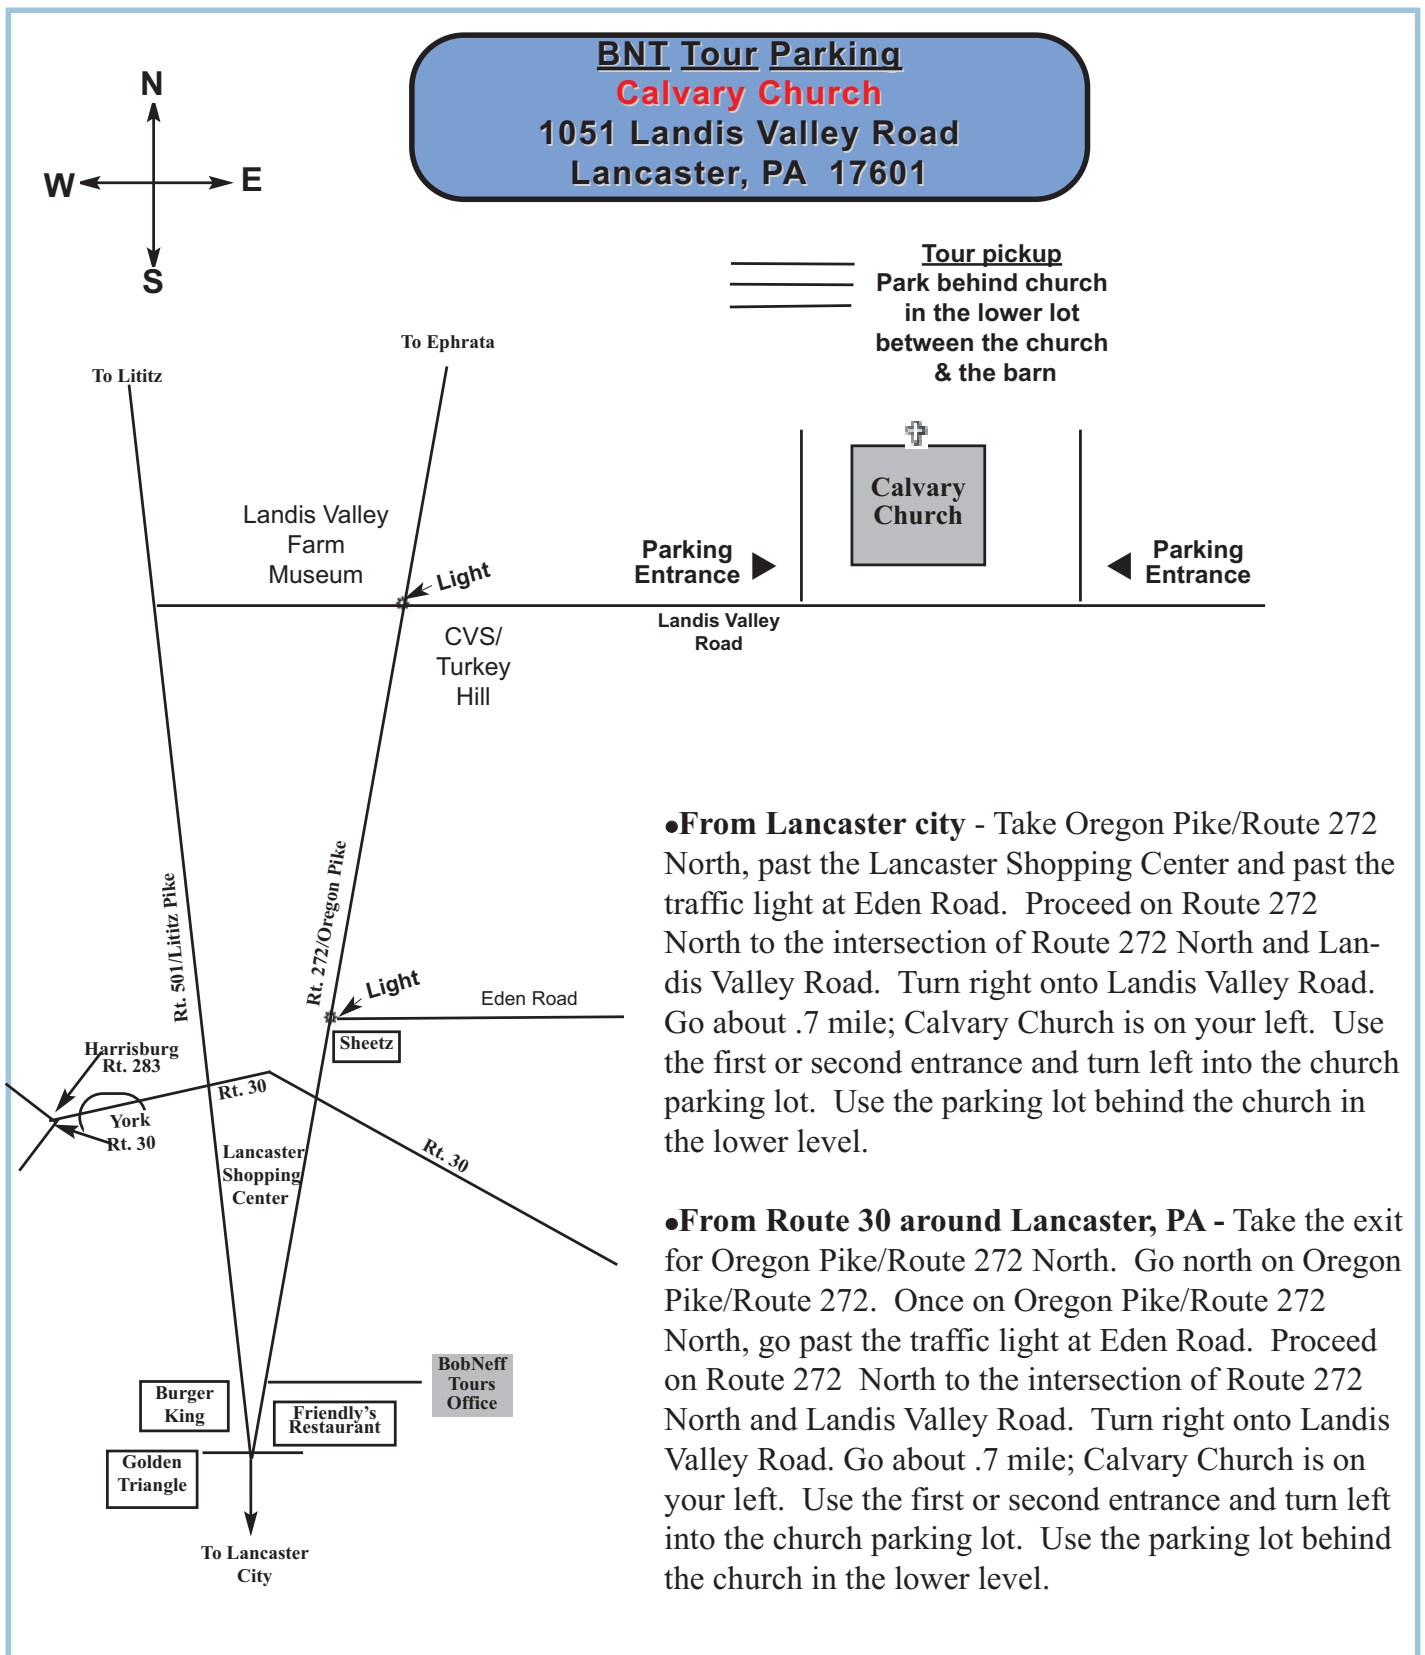

Savannah & Charleston

"The tour exceeded my expectations. It was thoroughly organized and a good value. Hotels, food, and attractions chosen made me feel as if I experienced highlights of both Savannah & Charleston in only four days. Incredible rich insight in a short visit."

Tulip Time in Holland, Michigan

"A wonderful sampler of Dutch spirit and culture enjoyed in the company of new Christian friends. This trip had enough variety of activities to meet everyone's preference. From historic villages, to music and drama performances, the parade, mansions and gardens, all was worthy and well done."

Responsibility

Bob Neff Tours, Inc. of Lancaster, PA, assumes no responsibility or liability in connection with the services of any train, vessel, carriage, aircraft, motorcoach, or other conveyance which may be used wholly or in part, in performance of their duties to participants of this tour. Neither will they be responsible for any act, error, or omission; for any injury, loss, accident, delay or irregularity which may be occasioned by reason of any defect in any vehicle or through neglect or default of any company or person engaged in conveying the passenger; for any hotel proprietor, or for any other person engaged in carrying out the itinerary listed in this tour brochure. While no changes are anticipated in the published tour, the right is reserved to alter the itinerary for operational reasons, but without deleting any of its components; or to substitute hotels where and when considered advisable for the comfort and welfare of the tour participants. Any additional expense incurred due to changes required owing to sickness, weather, strikes, war, quarantine, or other causes shall be the responsibility of the tour participant.

Show tickets are non-refundable 60 days or less prior to tour departure. For cancellations received in our office 30 days or less prior to tour departure, a charge of \$20.00 per person, per travel day, PLUS any expenses that cannot be recovered, will be made unless a substitute(s) can be found. No refunds will be given to people who fail to arrive for the tour the day of departure. For all cancellations, if a substitute is found, a full refund will be made with the exception of the \$10.00 per person cancellation fee. If you wish to protect yourself from payment of a cancellation penalty due to sickness or death in the immediate family, we recommend that you purchase insurance to cover this loss. You can go to www.bobnefftours.com and click on AIG Travel Guard at the bottom of the Home Page to purchase insurance online or call them at 1.800.826.1300.

Air, Rail, International, Cruise and Cooperative Tours Cancellation/Refund Policy

Cancellations of air, rail, international, cruise and cooperative tours will result in a cancellation fee. Cancellation fees are determined and passed on to us by our suppliers, and their policy will help determine the cancellation penalties we pass on to you. As a general rule, after the final payment date, and the closer to the departure date, the fewer monies can be recovered and refunded. At 2 weeks prior there is no refund. Regardless of the reason, cancellations or transfers made after the final payment date result in a costly process of letters, toll calls, record adjustments, refund checks, etc. plus loss of non-refundable tickets and accommodations. Also, refunds are not given on tours for attractions, meals, etc. for which individuals decide not to attend while on the tour. Cancellation insurance is highly recommended and available. Note: On all tours, should one person cancel off a double occupancy reservation, the person canceling will be charged the difference in cost for the other traveler's single room rate.

We strongly suggest you purchase Travel Insurance since cancellation penalties are more stringent for these tours than regular motorcoach tours. You can go to our website, www.bobnefftours.com and click on the "AIG Travel Guard" button at the bottom of the Home page or call them at 1.800.826.1300.

We cordially welcome anyone who wishes to travel with us. However, it should be made clear that our tours are primarily designed to fulfill the interests of Christian people. We begin each day with prayer and enjoy the fellowship of other Christians as we travel. Alcoholic beverages are not allowed, and smoking is not permitted at any place where it is offensive to another tour member. We charter clean, air-conditioned, and lavatory-equipped coaches, include regular meals, periodic rest stops, and a good night's rest in clean, comfortable, quality hotels.

Tour Director services are provided on most tours by a member of the Bob Neff Tours staff unless the tour is being operated in cooperation with another tour company. A nominal gratuity to the Tour Director is included on all regular Bob Neff Tours tours. Feel free to tip them, additionally on an individual basis, at the end of the tour. An envelope will be circulated throughout the coach for the driver's tip on all tours. Since many ask what is an appropriate driver's tip, we suggest \$2.00-\$3.00 per person per day for a job well done.

Children ages 6 years or older are welcomed on our tours. Please use your discretion and be sensitive to fellow travelers.

Impaired persons who are physically or mentally challenged are always welcome. We request the following for safe travel: the individual(s) are able to walk on and off of the coach on their own, and they are accompanied by a friend or a family member who will be responsible for them.

Food allergies that require special menu requests should be mentioned at time of tour registration.

While on tour, the tour director will be taking pictures that may be used by Bob Neff Tours for promotional purposes. If you prefer not to be included in any pictures, please notify the tour director at that time.

Objectionable conduct: Bob Neff Tours, Inc. reserves the right to reject or terminate the participation of any tour member whose conduct is considered to be objectionable to the other members of the tour.

On all tours, due to increased national security, we suggest you carry a government-issued photo ID (such as a driver's license). If, due to religious reasons, a photo ID is not available, a non-photo state issued ID or government-issued birth certificate is recommended.

A Passport Booklet is required for departure from and entrance into the United States, regardless of the mode of transportation. If you do not have a current passport booklet and need information on where and how to acquire one, you may check the internet at www.iafdb.travel.state.gov. This is a State Department website where you can insert your zip code, and you will be directed where to apply. If you do not have the internet, call our office for this information. Minors (under 16) traveling alone or in someone else's custody must present written authorization, signed before a notary, from the parent(s) or guardian, and they must also carry a passport. When planning international travel, be sure your passport booklet will be valid for at least six months after the return date of the tour. If you are traveling abroad, better start preparing now. You may obtain the proper forms through the Clerk Of Court or at the local Post Office. You may also apply for a passport via the State Department's Web Site. Go to www.travel.state.gov/passport, click on "How to Get a Passport" and download application form DS-11. There is now available a "Passport Card" for crossing the border between Canada, Mexico, the Caribbean and Bermuda, when traveling by land or sea. It is not sufficient for air travel across the border. Please see the website for additional information.

Flower blossom and fall foliage tours are scheduled during the times each area holds their festivals, or at a time when the flowers or leaves are considered by BNT to be the best for viewing.

Motorcoach seat rotation will be observed on most overnight motorcoach tours. We cannot guarantee a seat in the front of the motorcoach for any traveler. Therefore, we have a system of seat rotation, that we feel is fair to everyone. For one-day tours and a few select overnight tours, we do not offer seat rotation. We cannot guarantee special requests.

Hotel rooms typically have two beds in a room; however, more hotels are offering king-size beds. Therefore, pending availability, married couples may be assigned a room with a king-size bed. If you prefer two double beds, please notify our office. If you wish to room three or four in a room, we cannot guarantee you will have any more than the two double beds, as some hotels do not offer rollaways. We have requested non-smoking rooms at each hotel. Should you desire a smoking room, please mark your reservation form or call our office.

Travel insurance for Medical, Baggage and Cancellation is available. If you wish coverage, an insurance form will be sent to you at your request or go to our website, www.bobnefftours.com and click on the "AIG Travel Guard" button at the bottom of the Home page.

⇒ "Pre-existing Conditions" are covered if insurance is purchased at the same time you register for the tour. Call for an insurance brochure to purchase insurance.

⇒ We strongly suggest you purchase cancellation insurance on the flying tours and cruises, since the penalties are more stringent than for our regular motorcoach tours.

⇒ If the tour is cancelled, Travel Guard will issue you a voucher, which is valid for coverage on another future tour.

Tour cooperation with other travel companies has allowed us to offer more travel options to you, both international and domestic. We are cooperating with familiar names in the travel industry: Christian Tours of North Carolina; Mayflower Tours and Pilgrim Tours. We have had past experience working with these companies and feel comfortable recommending them to you. By cooperating with these companies, we are able to provide you with a more extensive list of destination choices than ever before. If one of these cooperative tours is listed in our tour book, we will also include a complimentary round-trip shuttle to the airport/departure point from Lancaster or Ephrata. For most of these tours, the travel company we are cooperating with will provide the tour director. Please note for bookkeeping records on final payments with Christian Tours, only checks are accepted.

❖ **Bob Neff Tours cannot be held responsible for weather conditions which may affect the appearance of foliage, or the availability of attractions while on tour. Neither is Bob Neff Tours responsible for national security measures that govern access to some attractions or monuments.** ❖

Traveling friends...

Florida Sunshine

"The fellowship on a Christian-based tour can't be beat! I appreciated the variety of activities from simulated hang-gliding in the Soarin' ride in Epcot to Billy Graham's life of passionate evangelism; from exposure to symbols & places in the Holy Land Experience to searching for gators!"

Creation Museum

"The trip was well planned and the stops were very educational. The Creation Museum, Duck Ride and Quecreek Mine and Flight 93 were the attractions I enjoyed the most. I've been on other bus trips and none compare to the tour director we had on this trip. She was very helpful and pleasant. This was my first bus trip with Bob Neff Tours but not my last. "

Nova Scotia & Prince Edward Island

"The Nova Scotia & Prince Edward Island tour is one that we will always cherish. It included so many interesting and beautiful locations and experiences. The meals were excellent. The driver and tour director were exceptionally competent. These destinations were on our bucket list, and we could not have had a better fulfillment of our dream."
