Dear Traveling Friends,

2020! Wow! Last year's tour book greeting begins: "What does 2020 hold for you?" "None of us knows for sure" and then went on to talk about the promising travel year ahead. Little did we know that a pandemic would grip the world and bring travel to a standstill. After 39 years in the travel industry, that development came as a shock to me. I was reminded anew of Proverbs 19:21 which says: "Many are the plans in the mind of man, but it is the purpose of the Lord that will stand."

The pundits of the travel industry are saying to "get ready for the Floodgates to open!" "There is a "pent-up demand for travel" and '2021 will be a strong year in travel.'" As I write this, several BNT tours have returned with overwhelmingly positive reports. People are excited to get on the road again. As Christians, we acknowledge God is in charge, and we will continue to trust Him to guide us through the meandering path of the future.

The long-awaited Passion Play in Germany was to have been the highlight of our 2020 tour schedule. However, Covid-19 forced this historic experience to be postponed until 2022. There is space available. Be sure to check the listing of these tours for the complete itineraries.

We are excited about several new tours that we are offering in 2021! In June we travel by coach from Lancaster to North and South Dakota, and the coach is already half full. Browse the summary in this magazine to learn more about the highlights of this incredible adventure. Other new tours that you will not want to miss are a tour to Huntsville (a brand-new fascinating destination for BNT), Nashville and the Smoky Mountains in June and, in October, the Ozark Mountain Marvel, that includes Branson.

There is so much to see! We would count it a privilege to take you there and yes, we will bring you home as well, with many wonderful memories of your extraordinary vacation experience.

Blessings,

Bob Neff Jr.

You're Invited to Our 2021 Tour Preview Season!

We'll
take you
there!

Since we are not able to gather in large groups this time, instead of a Tour Preview day, we are having a **Tour Preview Season!** Our season begins officially on **Monday, December 7, 2020, and concludes Friday, January 22, 2021.** Visit our website,

www.bobnefftours.com, click on "Preview Season" on the Home page or in the menu bar for details on discounts and Preview Season information. You can register online, call the office or mail the enclosed registration form during the entire SEVEN weeks!

Every week of the Tour Preview Season, we'll post a new video. You'll be welcomed by the BNT staff, Bob Neff, Jr., and a few of our Tour Directors. You might see yourself or a few traveling friends in our annual "Memories" movie. When we get to January, we will post a new Bucket List movie—and a "surprise" performance video by "Then Sings My Soul."

8 OBERRAMMERGAU & ITS 42nd PASSION PLAY ****Today is the highlight of this tour - viewing the Passion Play.** If you did not have enough time last evening to explore this Bavarian village, this morning is free for you to do so. Besides shopping and photographing the beautiful buildings, you should visit the beautiful Rococo church of Saints Peter and Paul with its Bavarian onion-dome, built in 1736—1742.

*In 1633, Oberammergau was saved from the Black Plague that was ravaging Europe. As a result, the villagers made a solemn vow to reenact the agony and crucifixion of Christ every ten years. The first performance was in 1634. The entire village takes part in this spectacle with a cast of 600 local performers, plus a chorus and orchestra. They perform on an open-air stage, while the audience sits under the roof of the theater. Although it is a German musical, it is easily understood as you watch it, but you can purchase an English booklet for the interpretation of the Play. There will be **two parts to the Passion Play**: The first half is in the afternoon, and the second half is in the evening.*

REGISTRATIONS WITHIN 30 DAYS OF TOUR DEPARTURE DATE
Sometimes registrations may not be accepted because hotels or attractions are sold out or will not take last-minute reservations. Hotels often require our rooming list 30 DAYS in advance. Requests for late reservations (within 30 days of departure) will require a credit card number to hold space while availability is checked. In the event that we obtain the space and you then cancel, your credit card will be charged a cancellation fee, plus any non-recoverable charges paid on your behalf.

Responsibility

Bob Neff Tours, Inc. of Lancaster, PA, assumes no responsibility or liability in connection with the services of any train, vessel, carriage, aircraft, motorcoach, or other conveyance which may be used wholly or in part, in performance of their duties to participants of this tour. Neither will they be responsible for any act, error, or omission; for any injury, loss, accident, delay or irregularity which may be occasioned by reason of any defect in any vehicle or through neglect or default of any company or person engaged in conveying the passenger; for any hotel proprietor, or for any other person engaged in carrying out the itinerary listed in this tour brochure. In the same vein, we are not liable for any spread of COVID-19 virus during the trip. We and our travel partners promise to do our best to keep things as clean as possible and in accordance with the guidelines and practices under which we are obligated to operate, but each person is responsible for their own health. Our attractions and stops may also have their own regulations and we expect our travelers to respect these guidelines for your own health and safety.

While no changes are anticipated in the published tour, the right is reserved to alter the itinerary for operational reasons, but without deleting any of its components; or to substitute hotels where and when considered advisable for the comfort and welfare of the tour participants. Any additional expense incurred due to changes required owing to sickness, weather, strikes, war, quarantine, or other causes shall be the responsibility of the tour participant.

Transfers

There will not be any service charge for the transfer of monies from one tour to another if done 30 days or more prior to the tour departure date, unless there are non-refundable deposits made for this tour on your behalf. If transfer of monies from one tour to another is made within 30 days prior to the tour's departure, the result will be a \$10.00 per person service charge, plus any monies that cannot be recovered that were prepaid on your behalf.

◆ **We reserve the right to substitute attractions, hotels, restaurants, etc. when deemed beneficial for the tour. Please note, this change may affect the Walking Guidelines rating for a tour.**◆

Tour Package Inclusions

Final details will be sent to you approximately two weeks prior to the tour's departure.

One-Day Tours

The package price* is per person and includes the following:

*Package price is subject to change.

Cancellations

All cancellations are subject to a \$10.00 per person cancellation fee, PLUS any expenses that cannot be recovered due to vendor deadlines, unless a substitute(s) can be found. Show tickets are non-refundable 60 days or less prior to tour departure. For regular motorcoach tours, travelers may cancel before the final payment date and receive a full refund. Some exceptions may apply if we are using another company to package the tour, who has a different policy. No refunds will be given to people who fail to arrive for the tour the day of departure. For all cancellations, if a substitute is found, a full refund will be made with the exception of the \$10.00 per person cancellation fee. If you wish to protect yourself from payment of a cancellation penalty due to sickness or death in the immediate family, we recommend that you purchase insurance to cover this loss. You can go to www.bobnefftours.com and click on Travel Insurance at the bottom of the Home Page to purchase insurance online or call them at 1.800.826.1300.

Air, Rail, International, Cruise and Cooperative Tours Cancellation/Refund Policy

Cancellations of air, rail, international, cruise and cooperative tours will result in a cancellation fee. Cancellation fees are determined and passed on to us by our suppliers, and their policy will help determine the cancellation penalties we pass on to you. As a general rule, after the final payment date, and the closer to the departure date, the fewer monies can be recovered and refunded. At 2 weeks prior there is no refund. Regardless of the reason, cancellations or transfers made after the final payment date result in a costly process of letters, toll calls, record adjustments, refund checks, etc. plus loss of non-refundable tickets and accommodations. Also, refunds are not given on tours for attractions, meals, etc. for which individuals decide not to attend while on the tour. Cancellation insurance is highly recommended and available. **Note:** On all tours, should one person cancel off a double occupancy reservation, the person canceling will be charged the difference in cost for the other traveler's single room rate.

We strongly suggest you purchase Travel Insurance since cancellation penalties are more stringent for these tours than regular motorcoach tours. You can go to our website, www.bobnefftours.com and click on the "Travel Insurance" button at the bottom of the Home page or call them at 1.800.826.1300.

We cordially welcome anyone who wishes to travel with us. However, it should be made clear that our tours are primarily designed to fulfill the interests of Christian people. We begin each day with prayer and enjoy the fellowship of other Christians as we travel. We charter clean, air-conditioned, and lavatory-equipped coaches, include regular meals, periodic rest stops, and a good night's rest in clean, comfortable, quality hotels.

Tour Director services are provided on most tours by a member of the Bob Neff Tours staff unless the tour is being operated in cooperation with another tour company.

For Driver, Tour Director Gratuity, an envelope will be circulated throughout the coach for the driver's tip on all tours. Since many ask what an appropriate driver's tip is, we suggest \$2.00 - \$4.00 per person, per day for a job well done. If you wish, feel free to give the Tour Director a gratuity on an individual basis at the end of the tour.

Please note for all our tours, you must be able to get up and down the stairs of the coach. Impaired persons who are physically or mentally challenged are always welcome. If you are bringing a walking aide, please let our office know when you make your reservation. We are happy to make arrangements for a handicapped room and transportation if we know ahead of time. If you need a wheelchair, you must be accompanied by someone who is not limited in walking, and is able to be fully responsible for your care during the trip. On all tours, your level of participation is your decision. If you choose not to participate in some activity, we respect that choice. There are no refunds for things you choose not to do; however, it is your vacation, and you can do what's comfortable for you! We love having you travel with us!

Children ages 6 years or older are welcomed on our tours. Please use your discretion and be sensitive to fellow travelers.

Food allergies that require special menu requests should be mentioned at time of tour registration.

While on tour, the tour director will be taking pictures that may be used by Bob Neff Tours for promotional purposes. If you prefer not to be included in any pictures, please notify the tour director at that time.

On all tours, due to increased national security, we suggest you carry a government-issued photo ID (such as a driver's license). If, due to religious reasons, a photo ID is not available, a non-photo state issued ID or government-issued birth certificate is recommended.

Objectionable conduct: Bob Neff Tours, Inc. reserves the right to reject or terminate the participation of any tour member whose conduct is considered to be objectionable to the other members of the tour.

Motorcoach seat rotation will be observed on most overnight motorcoach tours. We cannot guarantee a seat in the front of the motorcoach for any traveler. Therefore, we have a system of seat rotation, that we feel is fair to everyone. For one-day tours and a few select overnight tours, we do not offer seat rotation. We cannot guarantee special requests.

Flower blossom and fall foliage tours are scheduled during the times each area holds their festivals, or at a time when the flowers or leaves are considered by BNT to be the best for viewing.

❖ **Bob Neff Tours cannot be held responsible for weather conditions which may affect the appearance of foliage, or the availability of attractions while on tour. Neither is Bob Neff Tours responsible for national security measures that govern access to some attractions or monuments.** ❖

Walking Guidelines Key

1 Requires a minimal amount of walking and no flights of stairs.

2 Requires average amount of walking on a level surface; may have stairs, but an elevator or lift is available. This tour level could accommodate a walking aide, such as a wheelchair.

3 Requires moderate amount of walking possibly on uneven surfaces; longer and shorter days; possible air travel with long walks to terminal gates.

4 Requires good physical condition; considered "active" or physically demanding such as long days of walking, uneven surfaces, water activities, hiking, altitude changes, etc.

A Passport Booklet is required for departure from and entrance into the United States, regardless of the mode of transportation. If you do not have a current passport booklet and need information on where and how to acquire one, you may check the internet at www.travel.state.gov and click on US Passports. This is a State Department website where you can get information on how to apply for a passport. When planning international travel, be sure your passport booklet will be valid for at least six months after the return date of the tour. If you are traveling abroad, better start preparing now. You may obtain the proper forms through the Prothonotary's office at the Lancaster Courthouse or Lancaster's main post office. You may also apply for a passport via the State Department's Web Site.

Note: Beginning October 1, 2021, a REAL ID-compliant license, identification card, or another form of federally-acceptable identification (such as a valid passport or REAL ID or military ID) will be required to board domestic commercial flights, enter a military base, or enter a federal facility that requires ID at the door.

Hotel rooms typically have two beds in a room; however, more hotels are offering king-size beds. Therefore, pending availability, married couples may be assigned a room with a king-size bed. If you prefer two double beds, please notify our office. If you wish to room three or four in a room, we cannot guarantee you will have any more than the two double beds, as some hotels do not offer rollaways. We have requested non-smoking rooms at each hotel. Should you desire a smoking room, please mark your reservation form or call our office.

Travel insurance for Medical, Baggage and Cancellation is available. If you wish coverage, an insurance flyer will be sent to you at your request or go to our website, www.bobnefftours.com and click on the "Travel Insurance" button at the bottom of the Home page.

⇒ "Pre-existing Conditions" are covered if insurance is purchased at the same time you register for the tour. Call BNT for an insurance flyer to purchase insurance.

⇒ We strongly suggest you purchase cancellation insurance on the flying tours and cruises, since the penalties are more stringent than for our regular motorcoach tours.

⇒ If the tour is cancelled, Travel Guard will issue you a voucher, which is valid for coverage on another future tour.

Tour cooperation with other travel companies has allowed us to offer more travel options to you, both international and domestic. We are cooperating with familiar names in the travel industry: Christian Tours of North Carolina; Mayflower Tours and Premier World Discovery. We have had past experience working with these companies and feel comfortable recommending them to you. By cooperating with these companies, we are able to provide you with a more extensive list of destination choices than ever before. If one of these cooperative tours is listed in our tour book, we will also include a complimentary round-trip shuttle to the airport/departure point from Lancaster or Ephrata. For most of these tours, the travel company we are cooperating with will provide the tour director. **Please note for bookkeeping records on final payments with Christian Tours, only checks are accepted.**

Bob Neff Tours is not responsible for typographical and/or pictorial errors.

**Deadline

Are you ready for REAL ID?

Beginning **October 1, 2021**, Pennsylvanians will need a **REAL ID**-compliant license, identification card, or another form of federally-acceptable identification (such as a valid passport or military ID) to:

- ◆ Board domestic commercial flights
- ◆ Enter a military base
- ◆ Enter a federal facility that requires ID at the door

At this time, the Penndot office at 2105 Lincoln Highway, Lancaster, PA, 17602, is the only Lancaster County location you can walk in and walk out with a REAL ID. Please check <https://www.pa.gov> and click on the “REAL ID in Pennsylvania” button for information required to obtain your REAL ID.

For our plain sect traveling friends, please see your bishop for instructions.
