We'll take you there!

"The earth belongs to God! Everything in all the world is His!" - Psalm 24:1

Dear Traveling Friends,

It's been great seeing so many of our traveling friends this year. As we head into 2024, we are offering some popular destinations again. The precision drill displays at the International Military Tattoo thrills the crowds with its finest military groups in native uniforms. Taking in the sights on the Best of Texas tour, such as the Longhorn Cattle Drive, the Alamo, and the beautiful Riverwalk capture memories that will last a long time. Of course, Alaska always promises a relaxing time as we cruise the ice-studded fjords of Glacier Bay National Park.

A new tour for 2024, Great Lakes and Mackinac Island, includes cruises among the Wisconsin Dells and Pictured Rocks, as well as an overnight stay on Mackinac Island. In addition, 2024 marks the 80th anniversary of the D-Day invasion. We will be remembering this historical day by touring unforgettable sights on our Normandy, Paris & the Seine River Cruise, October 8-16, 2024.

With so much more in store for the year, take time to browse through the tour book and plan on joining us. It is our privilege to "take you there."

Blessings,

Bob

Bob Neff, Jr.

In loving memory of
Eva Jean Neff

February 9, 1929 - October 10, 2023

After 94 years of faithfully walking with her Lord, our mother, Jean Neff, went to meet Him face to face. We have many sweet memories of time spent with her here on earth and, because of what Jesus did for us on the cross, we look forward to spending eternity with her. She is missed.

"As we meandered through the streets, it was fun to spot the clustered church spires that dot the cityscape. Afterwards, we made our way to the beautiful Oatlands Historic House & Gardens where we enjoyed a mansion tour and a delicious catered dinner under the tent. One of the highlights for me was walking through the gardens. It took me back to the story of the "Secret Garden", as it was filled with gorgeous landscape designs, statues, architectural finds, and signs of Spring."

Lucy Maud Montgomery's bestseller, "Anne of Green Gables," began as a short story and expanded into a novel. Having difficulty getting it published, she became discouraged and hid the manuscript. Some years later, she tried publishing it again. This time she was successful and in 1908, "Anne of Green Gables" was published and became an instant hit. It has remained a bestseller for 85 years. It is the source for Canada's most popular family musical of the same name and has been seen by more than one million people. Maud went on to write 23 books, and all but one are set on Prince Edward Island, the Land of Anne.

Responsibility

Bob Neff Tours, Inc. of Lancaster, PA, assumes no responsibility or liability in connection with the services of any train, vessel, carriage, aircraft, motorcoach, or other conveyance which may be used wholly or in part, in performance of their duties to participants of this tour. Neither will they be responsible for any act, error, or omission; for any injury, loss, accident, delay or irregularity which may be occasioned by reason of any defect in any vehicle or through neglect or default of any company or person engaged in conveying the passenger; for any hotel proprietor, or for any other person engaged in carrying out the itinerary listed in this tour brochure.

While no changes are anticipated in the published tour, the right is reserved to alter the itinerary for operational reasons, but without deleting any of its components; or to substitute hotels where and when considered advisable for the comfort and welfare of the tour participants. Any additional expense incurred due to changes required owing to sickness, weather, strikes, war, quarantine, or other causes shall be the responsibility of the tour participant.

Transfers

There will not be any service charge for the transfer of monies from one tour to another if done 30 days or more prior to the tour departure date, unless there are non-refundable deposits made for this tour on your behalf. If transfer of monies from one tour to another is made within 30 days prior to the tour's departure, the result will be a \$10.00 per person service charge for one-day tours; \$25.00 per person service fee for overnight tours, plus any monies that cannot be recovered that were prepaid on your behalf.

◆ **We reserve the right to substitute attractions, hotels, restaurants, etc. when deemed beneficial for the tour. Please note, this change may affect the Walking Guidelines rating for a tour.**◆

Show tickets are non-refundable 60 days or less prior to tour departure. Some exceptions may apply if we are using another company to package the tour, who has a different policy. No refunds will be given to people who fail to arrive for the tour the day of departure. For all cancellations, if a substitute is found, a full refund will be made with the exception of the \$10.00 per person cancellation fee. If you wish to protect yourself from payment of a cancellation penalty due to sickness or death in the immediate family, we recommend that you purchase insurance to cover this loss. You can go to www.bobnefftours.com and click on Travel Insurance at the bottom of the Home Page to purchase insurance online or call them at 1.800.826.1300.

Air, Rail, International, Cruise and Cooperative Tours Cancellation/Refund Policy

Cancellations of air, rail, international, cruise and cooperative tours will result in a cancellation fee. Cancellation fees are determined and passed on to us by our suppliers, and their policy will help determine the cancellation penalties we pass on to you. As a general rule, after the final payment date, and the closer to the departure date, the fewer monies can be recovered and refunded. At 2 weeks prior there is no refund. Regardless of the reason, cancellations or transfers made after the final payment date result in a costly process of letters, toll calls, record adjustments, refund checks, etc. plus loss of non-refundable tickets and accommodations. Also, refunds are not given on tours for attractions, meals, etc. for which individuals decide not to attend while on the tour. Cancellation insurance is highly recommended and available. **Note:** On all tours, should one person cancel off a double occupancy reservation, the person canceling will be charged the difference in cost for the other traveler's single room rate.

We strongly suggest you purchase Travel Insurance since cancellation penalties are more stringent for these tours than regular motorcoach tours. You can go to our website, www.bobnefftours.com and click on the "Travel Insurance" button at the bottom of the Home page or call them at 1.800.826.1300.

We cordially welcome anyone who wishes to travel with us. However, it should be made clear that our tours are primarily designed to fulfill the interests of Christian people. We begin each day with prayer and enjoy the fellowship of other Christians as we travel. We charter clean, air-conditioned, and lavatory-equipped coaches, include regular meals, periodic rest stops, and a good night's rest in clean, comfortable, quality hotels.

Tour Director services are provided on most tours by a member of the Bob Neff Tours staff unless the tour is being operated in cooperation with another tour company.

For Driver, Tour Director Gratuity, an envelope will be circulated throughout the coach for the driver's tip on all tours. Since many ask what an appropriate driver's tip is, we suggest \$3.00 - \$5.00 per person, per day for a job well done. If you wish, feel free to give the Tour Director a gratuity on an individual basis at the end of the tour.

Please note for all our tours, you must be able to get up and down the stairs of the coach. Impaired persons who are physically or mentally challenged are always welcome. If you are bringing a walking aide, please let our office know when you make your reservation. We are happy to make arrangements for a handicapped room and transportation if we know ahead of time. If you need a wheelchair, you must be accompanied by someone who is not limited in walking, and is able to be fully responsible for your care during the trip. On all tours, your level of participation is your decision. If you choose not to participate in some activity, we respect that choice. There are no refunds for things you choose not to do; however, it is your vacation, and you can do what's comfortable for you! We love having you travel with us!

Children ages 6 years or older are welcomed on our tours. Please use your discretion and be sensitive to fellow travelers.

Food allergies that require special menu requests should be mentioned at time of tour registration.

While on tour, the tour director will be taking pictures that may be used by Bob Neff Tours for promotional purposes. If you prefer not to be included in any pictures, please notify the tour director at that time.

On all tours, due to increased national security, we suggest you carry a government-issued photo ID (such as a driver's license). If, due to religious reasons, a photo ID is not available, a non-photo state issued ID or government-issued birth certificate is recommended.

Objectionable conduct: Bob Neff Tours, Inc. reserves the right to reject or terminate the participation of any tour member whose conduct is considered to be objectionable to the other members of the tour.

Motorcoach seat rotation will be observed on most overnight motorcoach tours. We cannot guarantee a seat in the front of the motorcoach for any traveler. Therefore, we have a system of seat rotation, that we feel is fair to everyone. For one-day tours and a few select overnight tours, we do not offer seat rotation. We cannot guarantee special requests.

Flower blossom and fall foliage tours are scheduled during the times each area holds their festivals, or at a time when the flowers or leaves are considered by BNT to be the best for viewing.

◆ **Bob Neff Tours cannot be held responsible for weather conditions which may affect the appearance of foliage, or the availability of attractions while on tour. Neither is Bob Neff Tours responsible for national security measures that govern access to some attractions or monuments.** ◆

A Passport Booklet is required for departure from and entrance into the United States, regardless of the mode of transportation. If you do not have a current passport booklet and need information on where and how to acquire one, you may check the internet at www.travel.state.gov and click on US Passports. This is a State Department website where you can get information on how to apply for a passport. When planning international travel, be sure your passport booklet will be valid for at least six months after the return date of the tour. If you are traveling abroad, better start preparing now. You may obtain the proper forms through the Prothonotary's office at the Lancaster Courthouse or Lancaster's main post office. You may also apply for a passport via the State Department's Web Site.

Hotel rooms typically have two beds in a room; however, more hotels are offering king-size beds. Therefore, pending availability, married couples may be assigned a room with a king-size bed. If you prefer two double beds, please notify our office. If you wish to room three or four in a room, we cannot guarantee you will have any more than the two double beds, as some hotels do not offer rollaways. We have requested non-smoking rooms at each hotel. Should you desire a smoking room, please mark your reservation form or call our office.

Travel insurance for Medical, Baggage and Cancellation is available. If you wish coverage, go to our website, www.bobnefftours.com and click on the "Travel Insurance" button at the bottom of the Home page. ⇒ "Pre-existing Conditions" are covered if insurance is purchased at the same time you register for the tour.

⇒ We strongly suggest you purchase cancellation insurance on the flying tours and cruises, since the penalties are more stringent than for our regular motorcoach tours.

⇒ If the tour is cancelled, Travel Guard will issue you a voucher, which is valid for coverage on another future tour.

Tour cooperation with other travel companies has allowed us to offer more travel options to you, both international and domestic. We are cooperating with familiar names in the travel industry: Christian Tours of North Carolina; Mayflower Tours and Premier World Discovery. We have had past experience working with these companies and feel comfortable recommending them to you. By cooperating with these companies, we are able to provide you with a more extensive list of destination choices than ever before. If one of these cooperative tours is listed in our tour book, we will also include a complimentary round-trip shuttle to the airport/departure point from Lancaster, PA. For most of these tours, the travel company we are cooperating with will provide the tour director. **Please note** for bookkeeping records on final payments with Christian Tours, only checks are accepted.

Bob Neff Tours is not responsible for typographical and/or pictorial errors.
